The Chillon Reception Center is the perfect setting for weddings, receptions, rehearsal dinners, and other family, organizational, and community events. The Chillon Reception Center was named after a Castle on Lake Geneva in Montreaux Switzerland. Two wings stem from a central tower giving the general appearance of a Castle, thus the Chillon Reception Center.

Experience our quiet, secluded setting just seven miles from downtown Provo. To schedule a free consultation, tour our beautiful facilities, or for more information on our services, pick up the phone and call us.
